

Permafib is the official supplier of the Méchante Garnotte 2011 Contest.

The [Méchante Garnotte](#) is a slap shot contest that crosses Quebec and parts of Ontario. Through a series of qualifying rounds, amateur contestants compete for the overall title of most powerful slap shot. The field of competition is a specifically designed shooting cage where slap shots are measured using the same radar technology as used by the NHL in the friendly competitions held during The All-Star Game.

Here are some pictures of the event:
